## Nomad Art Collections

Welcome to Nomad Art Collections - online!

Now based in Euroa, Victoria, Nomad Art operates by appointment and online to promote exceptional works to collectors.

Please explore the website or contact us on 0428 308 793 or [gallery@nomadart.com.au](mailto:gallery@nomadart.com.au) to make an appointment.

Nomad Art Collections specialises in limited edition prints and hand printed fabrics from remote and regional Aboriginal Art Centres.

Each month we will delve into the Nomad Art Collections to uncover hidden gems, profile selected artists and present new work. The idea is to reflect on the extraordinary creative output by Aboriginal artists and printmakers over the last two decades including recent work.

For more than 13 years our focus has been on cross-cultural collaborations between artists and master practitioners. We also carry a selection of works by other significant non-Indigenous artists who work in Northern Australia.

We are proud of the educational and intellectual ethos associated with Nomad Art and our close association with art centres and the artists across the Top End and remote regions of Australia.

We are incredibly lucky to have been part of a print making revolution in Darwin and regional and remote Australia over the last 20 years and look forward continuing to work the artists, print makers and collectors who have made this such an extraordinary and creative period of Australian art!
